ORAL JUDGMENT

By an interim order dated 20th March 2002, while admitting the petition, learned single Judge of Court had permitted the petitioner to approach the Government for affiliation (on additional subject of Sociology) even without claiming grant.

2. When this petition was taken up for final hearing today, learned AGP Shri Mendgey appearing for the State Authorities placed on record a copy of the order dated 30.11.2005 by which the petitioner

institute has been granted necessary permission to run the course of sociology on permanent basis with effect from 15.6.2003 on self-finance basis. Learned advocate Shri Harin Raval appearing for the petitioner stated that the same substantially satisfies the grievance of the petitioner. He submitted that the petitioner would approach the Government if so found necessary making out a case for getting such a course also grantable.

3. In view of the above developments, this petition is disposed of as having become infructuous with a liberty to the petitioner to make a representation to the Government authorities for seeking grant if so desired. If such a representation is made, I am sure, the same will be disposed of expeditiously in accordance with the rules. With these observations, the petition is disposed. Rule is discharged with no order as to costs.
